RE: Request copy of documents released under EPA-HQ-2016-005159

Dear FOIA Staff:

Bayer would like to request a copy of all documents released as part of EPA-HQ-2016-005159 made on March 28, 2016. Any information for which Bayer is not qualified under FIFRA Sec. 10 should be redacted accordingly. This request should in no way delay or otherwise impact release of document pursuant to the initial referenced FOIA request.

If my request is denied in whole or part, I ask that you justify all deletions by reference to specific exemptions of the act and associated regulations or statute as applicable. I will also expect release of all segregable portions of otherwise exempt material.

Bayer is willing to incur up to \$100.00 in administrative fees to process this request. Should this fall out of line with the projected workload, please contact Bayer at any time to discuss.

Information requested by Bayer may be sent to the following address:
